Listening and Speaking

Prepare for a **dramatic reenactment** of a council meeting called to install a new Iroquois lord. Assign classmates the roles in the selection from *The Iroquois Constitution*, plan (block) the staging to determine the physical movement of the reenactment, and rehearse your reenactment.

Present your reenactment to the class. Ask the class for questions about how you staged your reenactment or about the *Constitution*.

Research and Technology

To help create a **logo** to represent the Iroquois Confederation, find information on the Internet about the culture and history of the Iroquois. Look at images in the selection. Enter information in the chart about how each image reflects an element of the Iroquois culture.
